DISPATCHES FROM MY WRITING DESK

JULY 9, 2018 | DISPATCH ONE

I SAID YES: AN OPEN INVITATION TO ALL

Dear everyone,

This might be a surprise to many people . . . but I'm happy to announce my [engagement to Simon Pulse](#).

Though we've only been together for a short while, the connection I had with Simon just felt right.

The wedding is set for Spring 2020. Jennifer Ung will be my fabulous planner (and happens to be a kick-ass editor). My man of honor is Jim McCarthy (who happens to be a kick-ass agent).

The ceremony will take place in Little Saigon, California. The menu will include plenty of pho. Expect to see a lot of friends and family (though some might not get along with each other).

Everyone is welcome to attend, but I'd love to extend a special welcome to anyone who shops at the indies, at Barnes and Noble, and at Amazon.

I'm thrilled to take this next step. Get ready for the greatest wedding of all time!
